

# 2022 Summer Study Camp Overview

## Upper Primary

Our summer programme focusses on learning all about our world through engaging and exciting topics with real world application. This holistic programme combines a focus on the academic skills needed for success at school and in exams, while building confidence in collaboration, public speaking, writing for different audiences and outcomes, critical thinking and sharing informed opinions.

Each week has a different theme in which learners will take part in hands-on activities and interactive learning, exploring language and developing the skills they need for future success.

Camps are Monday to Friday, 9.00 a.m. to 1.00 p.m.
