

We have scheduled a series of workshops to run throughout the year. These workshops are stand-alone bite-sized sessions during which a range of topics that are relevant for teaching in the Pre-school, Early Years, Primary, Secondary, Junior College and Adult Education segments would be covered.

Themes range from language-focused workshops such as Fun with Pronunciation to 21st century themes such as Critical Literacy, Visual Literacy and Inquiry-based Learning.

Workshops are conducted at our Napier Road Centre unless stated otherwise.

#### HOW TO REGISTER

The 3-hour sessions are open for registration by individuals or groups of teachers from schools. Registrations can be invoiced to institutions, or to MOE schools by e-invoicing through the IFAAS system.

Send an email to [contact@britishcouncil.org.sg](mailto:contact@britishcouncil.org.sg) stating which workshop you would like to register for, and we will send you the IFAAS form or the company-sponsored form.

#### IN PERSON

You could also register for these workshops at any of our centres. Payment could be by cash, cheque, NETS or credit card.

Fees: \$100 for 3-hour and \$200 for 6-hour session per head.

These workshops are open to anyone in the education field, so there is no need to limit yourself to your own teaching context!
