DROP OFF AND PICK UP POLICY

While in class the British Council (Singapore) Limited has 'Duty of Care' for your child.

For Child Protection purposes we operate a clear policy for dropping off and picking up children from the centre. We ask that parents follow the policy laid out below:

- Nursery 1 to Kindergarten 2 students must arrive early and leave their classroom accompanied by a parent/guardian.
- Parents/guardians should not leave children between 2 and 10 years of age unsupervised in centres.
- Parents/guardians are expected to drop off and pick up their children on time. In the case of an emergency and parents/guardians are unable to do so, please contact the centre directly. In the event that a child has not been picked up, and the parents/guardian cannot be contacted the British Council (Singapore) Limited is required to contact local authorities.
- All Primary 1 to Primary 4 students should not come to or leave centres without supervision from a person who is at least 14 years old or older i.e. parent, guardian, family member, caregiver, etc.

- The British Council (Singapore) Limited is not responsible for the safety of children who leave the premises without appropriate supervision.
- If a child has to leave his/her class early, please request for an Early Release Form from our staff. Teachers may withhold children who do not have an Early Release Form.
- To identify children by their age group, coloured lanyards with identification cards are used for all our Early Years, Primary and Secondary students. Please ask your child to use the issued lanyard when attending our classes. Parents/guardians may be asked to show their matching identification card to a member of staff when picking up their child. In the event the card cannot be produced, we will require additional identification for verification before the child can leave the centre.

MOBILE PHONE, AUDIO RECORDING, PHOTOGRAPHY AND VIDEOGRAPHY POLICY

The British Council (Singapore) Limited operates the following policies:

- Unauthorised audio recording, videography or photography on the British Council (Singapore) Limited premises is prohibited.
- Mobile phones may only be used in class for educational reasons and with consent from the teacher.
- The publishing of any photographs, videos or audio recordings, taken on the British Council (Singapore) Limited's premises, to print or digital media without the written approval of all participants constitutes a breach of our Informed Consent and Child Protection policies and may result in prosecution.

For Child Protection purposes, parents and children are expressly requested not to take photographs/publish photographs/audio recordings/videos to print or digital media during any of our classes or events. We may contact you to remove said content from your media channels if we believe that they constitute a breach of our Child Protection policy, the individual's privacy or unduly affect our customers/staff without their written consent.

INTIMATE CARE POLICY

For children aged between 2 and 5 years old, the British Council (Singapore) Limited has an Intimate Care Policy which safeguards the rights and well-being of children with regards to their dignity, privacy, choice and safety.

Intimate care involves helping children with aspects of personal care that they are not able to undertake on their own, either because of their age, maturity or ability. These include, but are not restricted to:

- Washing
- Toileting
- Dressing and undressing (including diaper changes)
- Applying creams/medicines provided by parents/guardians (e.g. topical medication, sun cream, etc)

If your child has specific intimate care requirements, please inform our staff in writing and we will communicate this directly to their teacher. However, please note in certain cases, we may not be able to accommodate specific care requirements.

When required, trained staff may undertake the changing of a child's clothing/diaper. Parents will be informed by staff as soon as possible via telephone or in person. For the British Council (Singapore) Pre-school students, up to two diaper changes can be expected a day. Parents will be informed if more diaper changes are required.

AGE POLICIES

- All Early Years Nursery 2 students must already be attending a nursery programme and must be toilet-ready.
- All British Council Pre-school, Nursery 2B students must be toilet-ready.
- International school students will be placed according to their academic ability instead of by age.
- We reserve the right to move children to a different level if we feel that they will benefit more from the new class.
- Secondary Plus, Secondary 4 and Secondary Foundation are considered Young Learner courses. This means that all students must be under 18 on 1 January of the year the course begins.
- Junior College classes are open to students between the ages of 16 and 18. However, in special circumstances, admission of older students will be considered.
- Any exceptions to the above will be made after discussion between the parents/guardian of the student and our management.

OFFSITE CLASSES

An offsite class is a lesson arranged outside of any British Council (Singapore) Limited teaching centres. Offsite classes can be arranged upon request for private courses, subject to the British Council (Singapore) Limited approval.

Where the British Council (Singapore) Limited has arranged an offsite class, students are obliged to take full duty of care to ensure classes are arranged in an environment that is safe and conducive for learning. A full address and any entry requirements to an offsite class will have to be communicated in writing prior to the scheduled lesson.

Offsite classes need to be conducted in appropriate spaces. Teachers cannot take classes in bedrooms or any setting considered inappropriate by the British Council (Singapore). Where an offsite class location is deemed inappropriate, the lesson will be cancelled and a make-up class will be arranged at one of the British Council (Singapore) Limited Teaching Centres.

For offsite classes with young learners, aged under 18, there needs to be an adult, other than the teacher present at all times during the lesson. If there is not a responsible adult present, the British Council (Singapore) Limited reserves the right to cancel and arrange a makeup class.

DATA PROTECTION, OBLIGATION AND PRIVACY NOTES

The British Council (Singapore) Limited is committed to preserving the confidentiality of students' personal information and undertakes not to divulge any of our students' personal information to any third party without prior, written consent from the student. Our privacy policy can be found on our website. These outline the British Council (Singapore) Limited's compliance with Singapore's Personal Data Protection Act 2012 (PDPA) and the Do Not Call (DNC) provisions under the PDPA.

YOUR PERSONAL DATA

We will safeguard the privacy of your personal data, whether you interact with us personally, by telephone, mail, over the internet or via other electronic media. We hold personal data in secure computer storage facilities as well as paper-based files and other records and take steps to protect the personal data we hold from misuse, loss, unauthorised access, medication or disclosure.

INCLUSION AND SPECIAL EDUCATIONAL NEEDS

SPECIAL EDUCATION NEEDS (SEN) POLICY

The British Council (Singapore) Limited is an inclusive organisation that welcomes students with learning difficulties or medical conditions. We aim to integrate SEN students into our mainstream classes, where possible, so that they can follow the curriculum and achieve the course learning objectives.

VOLUNTARY MEDICAL/LEARNING NEEDS DISCLOSURE

The British Council (Singapore) Limited recognises that each student has his/her own individual needs. Our aim is to ensure that, as far as possible, students are consulted and involved in decisions about how their needs might be met. This involves talking to and listening to our students, including students under the age of 18, as it is their right that their views regarding their learning are properly considered. To help us do this, we request that the student complete a "Student Voice" questionnaire and, if you wish, to provide us with information on the student's learning needs. This information will be used to formulate an Individual Education Plan for the student, enabling us to optimise our teaching methods to better suit you/your child. This information will only be shared with staff who will be working directly with the student.

Please approach our Sales and Customer Management staff for a disclosure form and for more information.

In some cases, we may not accept a student into our course because we are not able to provide consistent and sustainable support. The decision to not allow a student to register (or continue) is not made lightly and is based upon a consideration of all factors related to the individual case.

INCLUSION AND DIVERSITY POLICY

The British Council (Singapore) Limited is an inclusive organisation that attempts to offer classes to students of all backgrounds. However, we acknowledge that, at times, it is impossible to effectively support some students with specific needs in their studies. In these situations, we will not be able to offer our classes. We will then arrange a trial session to assess the potential to study with us. The outcome is then at the discretion of the centre's Academic Manager.

Students should meet the entry requirements of the course. To best meet and support the student's needs while on the course, we will need close dialogue between him/her (and parents, if applicable) and the teacher so that we can support their learning in the best possible way. Participation is also monitored to determine if the required level of support is possible.

Sometimes, it is not possible to offer a place for the student because they do not meet our entry requirements (e.g. literacy skills do not correspond with what is needed for students undertaking that level of study). The decision is based on a student's English proficiency and learning needs.

Decisions related to SEN and a centre's ability to support the student's learning requirements will not be made in isolation. They will be made in consultation with multiple parties, including parents/guardians, our Management, the teacher and our Special Education Needs coordinator.
