

# 2020/2021 Winter Study Camp Overview

## Early Years

### Napier Road Centre

Our preschool Winter Study Camp introduces learners to exciting and stimulating topics designed to develop their curiosity, creativity, and interest in the world around them. Learners will improve their literacy skills through phonics, stories, interactive activities, and crafts. They'll learn the reading, writing, grammar, vocabulary, and the social skills needed for their primary studies.

Each week has a different topic for learners to investigate through our unique British Council materials, designed especially for pre-schoolers. Each day will involve an academic focus, reading reflection and projects for learners to share with classmates and at home. They will learn to work together, communicate confidently, and present in front of the class.

Camps are Monday to Friday, 9.00 a.m. to 1.00 p.m.
