

# 2020/2021 Winter Study Camp Overview

## Primary

### Napier Road Centre

Our December/January programme focusses on learning all about our world through engaging and exciting topics with real world application. This holistic programme combines a focus on the academic skills needed for success at school and in exams, while building confidence in collaboration, public speaking, writing, critical thinking and sharing informed opinions.

Each week has a different theme in which learners will take part in hands-on activities and interactive learning, exploring language and developing the skills they need for future success.

Camps are Monday to Friday, 9.00 a.m. to 1.00 p.m.

Date	Age/Level	Camp name
<b>Monday 14 December to Friday 18 December 2020</b>	<b>P1 to P2 P3 to P4 P5 to P6</b>	<b>Connected World: Public Speaking Skills</b>
<p>Connected World will allow learners to investigate the different ways in which people, places and the planet interact in the past, present and future, an increasingly important topic and skill in our world today. Through interviews, presentations and storytelling, learners will gain confidence and skills in expressing themselves on a variety of exciting topics. They'll learn to give three presentations, tell a story and find out information through investigative questions in a mock interview.</p> <p><i>The week will finish with learners creating and presenting a visual representation of our Connected World.</i></p>		
<b>Monday 4 January to Friday 8 January 2021</b>	<b>Lower Primary Ages 6 to 9</b>	<b>What's On*</b>
<p>We often complain that children spend too much time in front of the tv. In this TV-themed week, learners will be learning about television instead of watching it. Focussing on grammar, vocabulary and sharing opinions, learners will discuss what makes a good TV programme, develop reading comprehension skills and take control by planning their own perfect TV programme.</p> <p><i>By the end of the week, learners will have written scripts for radio and TV programmes and designed their own TV guide.</i></p>

This story-based week will ask learners to explore their imagination as they learn about books, stories, and fables. They will widen their vocabulary, learn how to use past tenses effectively and dive into a world of creativity. Through engaging projects, they'll explore different ways of telling stories and let their imagination run free.

*The week will finish with learners writing and making a storybook of their original composition.*

\*Topics are subject to change based on the age/ level of the students who sign up for the Study Camp programme. We will ensure that the materials are appropriate for the students.
