

Email Writing Skills 2

Is it sometimes hard for your teams to write complex and challenging emails that engage stakeholders? Can it be challenging for them to respond to emails appropriately in different cultural contexts? Do they know how to draft sensitive emails in a way that doesn't easily offend but builds trust?

This course will take your teams' existing email-writing skills to the next level. They will develop a more strategic approach to drafting complex and challenging emails. Your stakeholders will be more responsive and quickly provide the answers your organisation needs. Through more effective emails, your teams will build stronger relationships and boost your organisation's professional image.
