

Guide for Private Candidates

Submitting Post-Results Service Requests on Schools Registration System for Edexcel and Cambridge International Exams

Introduction

This user guide is for private candidates who submitted their registrations using the Schools Registration System.

This guide provides step-by-step instructions on how to submit enquiries about results on the Schools Registration System.

Post-Results Activities

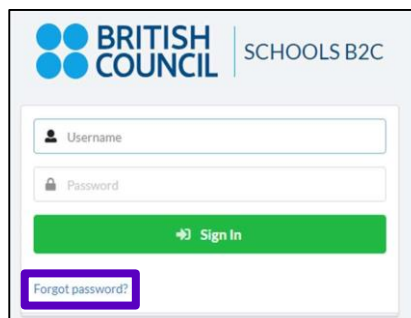

Private candidates can use the Schools Registration System to submit Post-Results Service requests for the latest exam series. Please note that this service is only available for exams that have already been marked.

Once you have been informed that Post-Results Services are available, use the following steps to submit your request.

Please be advised that enquiries related to 'No Results' or 'Pending' statuses cannot be processed through the Schools Registration System. For such requests, please contact your local country exams team.

1. Log in to the Schools Registration System, the platform where you registered for your exams:
<https://schoolexams.britishcouncil.org/select-country>

(If you have forgotten your password, please use the 'Forgot Password' button to reset the password.)

The image shows a login interface for the British Council Schools B2C system. At the top left is the British Council logo, and to its right is the text 'SCHOOLS B2C'. Below this, there are two input fields: 'Username' with a person icon and 'Password' with a lock icon. A green 'Sign In' button with a right-pointing arrow is positioned below the password field. At the bottom left of the login area, there is a link that says 'Forgot password?' enclosed in a purple rectangular box.

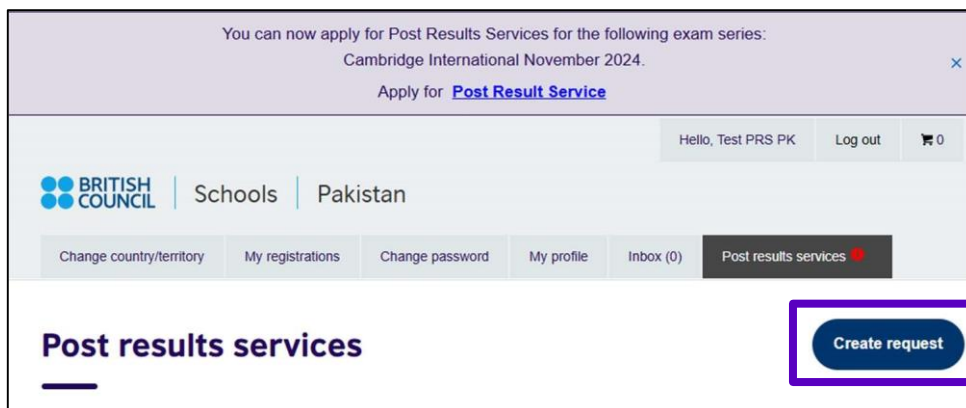

- When you log in, you will see a notification banner at the top of the page, informing you that you can apply for post-results services for the sessions mentioned on the banner.

Click on 'Post Result Service'.

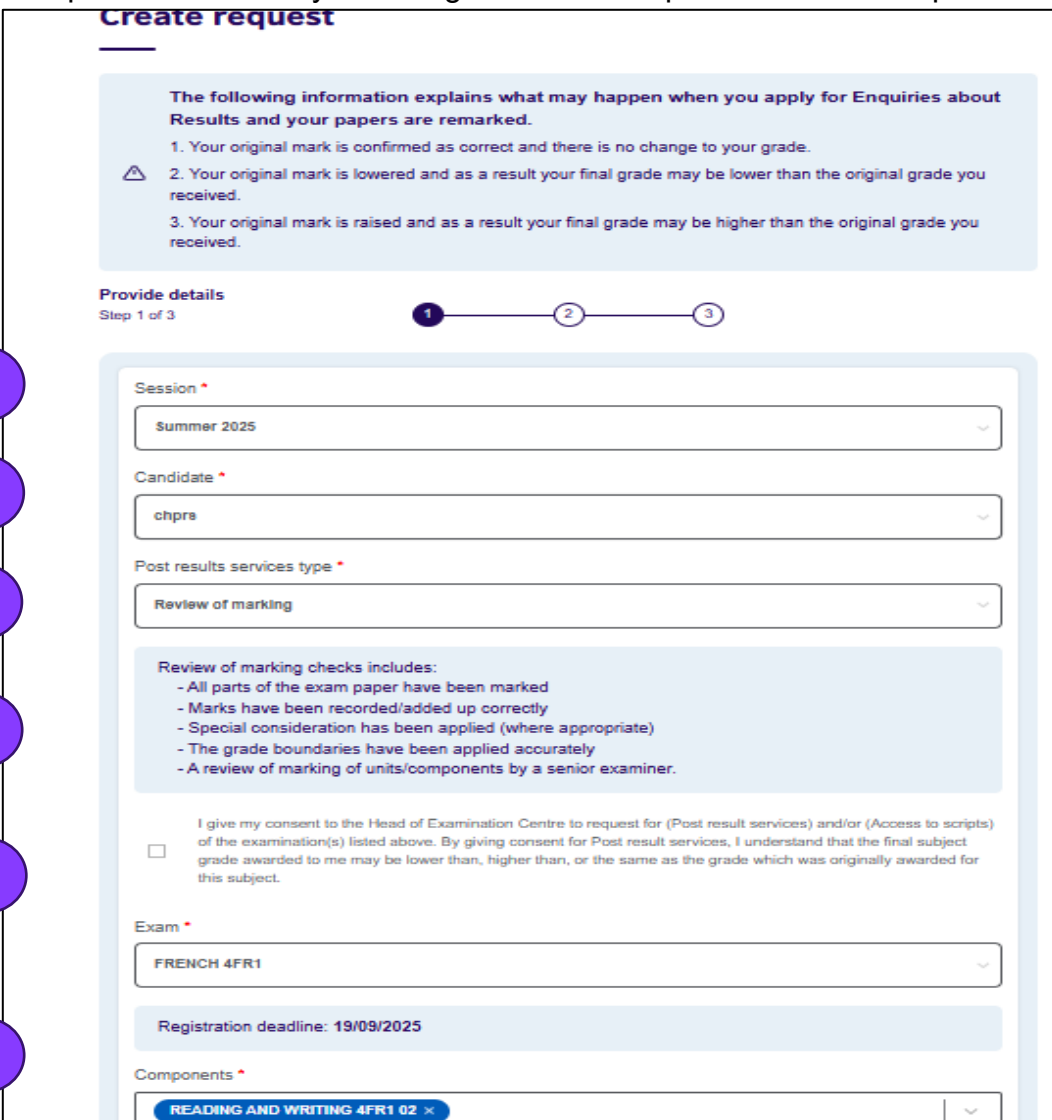

The screenshot shows the top of the British Council website. A purple notification banner at the top states: "You can now apply for Post Results Services for the following exam series: Cambridge International November 2024." Below this, there is a link "Apply for Post Result Service" which is highlighted with a red box. The main header area includes the British Council logo, "Schools | Pakistan", and a navigation menu with links: "Change country/territory", "My registrations", "Change password", "My profile", "Inbox (0)", and "Post results services" (which has a red notification icon). The user is logged in as "Hello, Test PRS PK" and there is a "Log out" button.

- Click on 'Create Request'.

The screenshot shows the "Post results services" page. The notification banner from the previous screenshot is still visible at the top. The navigation menu is the same. Below the navigation menu, the page title "Post results services" is displayed. On the right side of the page, there is a red button labeled "Create request" which is highlighted with a red box.

4. Complete the boxes by selecting the relevant options from the drop-down menus.

I have entered on this form. I also understand that the British Council is not responsible for reserving any clash papers between/of two different boards. I understand my obligation to report for any morning or afternoon examination paper at least half an hour before the scheduled examination start time as is required by British Council administrative arrangements.

The British Council reserves the right to disallow me to take the examination if they are not satisfied with the identification produced at the time of examination. I have not made an exam registration at any other centre for the same exam board for current exam series. I have read and understood the Registration Information Manual of the examination series
