

# 2023 June Holiday Study Camp Overview

## Secondary

Each week our Secondary holiday study camp focusses on a different academic theme, through engaging materials written specifically for Singaporean students. Our aim is to provide a positive and inclusive environment where children are free to express themselves and ask questions and engage in collaborative tasks to develop their language skills. Lessons relate to cultural topics, innovation, and technology, 21<sup>st</sup> century skills and personal development. Learners will explore age appropriate, relevant topics and tasks that will relate both to their personal and academic lives. They will gain general knowledge, develop the skills helping them to become confident speakers and writers through individual, collaborative, creative and contextualised tasks.

Secondary Camps run Monday to Friday, 9.00 a.m. to 1.00 p.m.
