

Writing Champions: Creative Writing for P1-P2

Our British Council Writing Champions course for P1-P2 will increase your child's comprehension and composition skills, as well as their confidence as they learn to write stories and fact files. Students will develop their collaboration and communication skills by working with their classmates to research and offer feedback. Meeting your child where they are at with their literacy and writing skills, this week will support their lower Primary literacy skills and give them the boost they need for success.
