

# Nov/Dec 2020 Holiday Study Camp Overview

## Early Years

### Tampines Centre

Our preschool Holiday Study Camp introduces learners to exciting and stimulating topics designed to develop their curiosity, creativity, and interest in the world around them. Learners will improve their literacy skills through phonics, stories, interactive activities, and crafts. They'll learn the reading, writing, grammar, vocabulary, and social skills needed to thrive at Primary school.

Each week has a different topic for learners to investigate through our unique British Council materials, designed especially for learners. Each day will involve academic focus, reading reflection and projects for learners to share at home.

Camps are Monday to Friday, 9.00 a.m. to 1.00 p.m.

Date	Age/Level	Camp name
<b>Monday 7 December to Friday 11 December</b>	<b>K1 to K2</b>	<b>Great Events</b>

We celebrate many different events throughout the year, this festival themed week will allow learners to share their experiences of celebrations. They'll learn language to describe their emotions and adverbs of frequency to discuss their favourite activities. Focusing on the magic-e and long vowels, learners will read and interact with stories to improve their literacy skills.

*By the end of the week, learners will have made a kite, planned a party for the holidays, and performed one of their favourite stories*

<b>Monday 14 December to Friday 18 December</b>	<b>K1 to K2</b>	<b>Connected World</b>
---	-----------------	------------------------

How many forms of transport does your child know? During our Connected World: Transport week, learners will learn about different forms of terrestrial and extra-terrestrial transport types, sharing their experiences and using their imagination to create their own. Focusing on long and short vowels, they'll compare forms of transport and expand their vocabulary

*By the end of the week learners will have explored different materials to make forms of transport related to air, land, sea and space.*
