

	Pure	Mechanics	Probability/ Statistics	Notes
<b>Mathematics 1</b>  <b>This sets out assumed knowledge for both STEP 2 and STEP 3</b>	Pure content of A Level Mathematics with some modifications <sup>3</sup> and additions.	Mechanics content of A Level Mathematics with some modifications <sup>3</sup> and additions.  Assumed: Pure content of Mathematics 1.	Probability/Statistics content of A Level Mathematics with some modifications <sup>3</sup> and additions.  Assumed: Pure content of Mathematics 1.	Additions to DfE content are indicated in the specification by <b><i>bold italics</i></b> .
<b>STEP Mathematics 2</b>  <b>STEP 2 is based on this specification</b>  <b>Assumed knowledge for STEP 3</b>	The prescribed Pure content of AS Further Mathematics with some modifications <sup>3</sup> and additions.  Assumed: Pure content of Mathematics 1.	Additional topics as outlined.  Assumed: Pure and Mechanics content of Mathematics 1; Pure content of STEP Mathematics 2.	Additional topics as outlined.  Assumed: Pure and Probability/Statistics content of Mathematics 1; Pure content of STEP Mathematics 2.	Additions to DfE content are indicated in the specification by <b><i>bold italics</i></b> .
<b>STEP Mathematics 3</b>  <b>STEP 3 is based on this specification</b>	The prescribed Pure content of A Level Further Mathematics with some modifications <sup>3</sup> and additions.  Assumed: Pure content of Mathematics 1 and STEP Mathematics 2.	Additional topics as outlined.  Assumed: Mechanics content of Mathematics 1 and STEP Mathematics 2; Pure content of Mathematics 1, STEP Mathematics 2 and STEP Mathematics 3.	Additional topics as outlined.  Assumed: Probability/Statistics content of Mathematics 1 and STEP Mathematics 2; Pure content of Mathematics 1, STEP Mathematics 2 and STEP Mathematics 3.	Additions to DfE content are indicated in the specification by <b><i>bold italics</i></b> .

<sup>3</sup> A few topics have been removed and, occasionally, wording from the DfE document has been modified for clarity.
