

Winter 2022/2023 Study Camps: Overview

Secondary

At the British Council, we understand that Secondary learners are preparing for their future academic studies and beyond as global citizens.

Our Winter Study Camps will help them develop the skills they need while exploring real world topics in depth. They will widen their understanding of our interconnected world and combine academic skills with 21st century competencies. Our holistic programme will develop the skills of confidence, communication, problem solving that will carry them forward to achieve their future goals in school and in life.

Each theme explores a range of topics focussing on written or spoken communication, including tasks that prepare learners to persuade, negotiate, express themselves clearly and accurately, and be creative in an engaging supportive environment.

The British Council uses a continuous assessment approach. Our teachers assess our learners informally in every class, and their feedback is shared with parents during parent consultations.

Camps are Monday to Friday, 9.00 a.m. to 1.00 p.m.

Date	Age/Level	Course name
Monday 21 November to Friday 25 November	13 to 16 years old	Myths and Legends
